4. Other Developments

(U) The return of the body of Major Anderson (SITREP 12-62) has been delayed 24 hours because of the inability of the Cubans to have the body ready for shipment. Brigadier Rikhye, military advisor to the UN Secretary General, departed New York on Eastern Airlines Flight 603, to receive the body at Havana from the Swiss Ambassador to Cuba. The body should now arrive Andrews Air Force Base late 4 November.
